SENATORS OUT FOR

"NO TOLL" CANAL WASHINGTON, July 23.-Claiming that the obligations contained in the Clayton-Bulwer treaty with Great Britain should be fully and honestly recognized by the United States, Sen-ator Percy of Mississippi has joined Senators Root and Burton in their fight for a free canal, making a strong speech on the subject in the senate today. The Mississippian urged a free canal as best, in view of the opportunity it would afford of competition in freights with the transcontinental railroads, but took the stand that if free passage cannot be given to the ships of all nations on equal terms, then the canal rates should be the same for the ships of all nations, without any discrimination in favor of American coasting vessels.
